HUGE TUNA!	SHARK FISHING	COD CHARTERS	BASS CHARTERS

In over 30 years on Stellwagen Bank we have consistently been a "high-liner" in top catches, have taken several I.G.F.A. and World Records and have won every major tournament in our area for **Cod** species as well as **Giant Tuna** and **Striped Bass**. Our customers have won the Governor's Cup for cod, halibut, and Giant Pollack in the Massachusetts Saltwater Contest many times over the years. ***Come and be a part of all the excitement!***

We are a **saltwater sport fishing charter** service which operates from Marshfield, Massachusetts, close to Boston and Plymouth. We can take up to six people per boat on our quality **Cape Cod Fishing Trips**. We have trips to the Stellwagen Bank, Cape Cod Bay and other offshore waters within New England.

We are a full-time, 7 day-a-week, professional deep sea fishing charter business totally equipped to meet the demands from novice to experts.

Unlike part-time **charter boats**, we must consistently produce fish for you, since this is our only business and we depend on your repeat business to make our living.
